

TEMPUS TWO

Copper Series Hunter Valley Shiraz

VINTAGE 2019

An innovative winemaking spirit and adherence to quality elevates the Copper Series to where modern style meets classic finesse. Made from traditional European varietals and blends, sourced from premium vineyards in Australia's premier wine regions, the copper series is hand-crafted with an Australian twist. Complete with eye-catching copper labels, these wines bring style and sophistication to every table.

Keeping with innovation of the Copper series, this wine is cut from a different cloth; the 2018 Shiraz across the region is a modern classic in style; ripe and oaked accordingly. The wines will drink and age over decades to come. This year's Copper Shiraz, however, is all about approachability; only old oak was utilized with a clear focus during assemblage, the outcome being this wine is palatable, young and harnesses the style of the region that was revered by consumer in the mid to late 80's, given no Uno was made this year, all the Hunter Valley old vines typically set aside for it went into the Copper Shiraz.
